**8. PERSONALIZATION.** Purchaser acknowledges that the final selections and personalization of their new home is to be completed prior to the commencement of construction. If Purchaser requests any changes, alterations and/or additional upgrades or features after commencement of construction, Seller may, in its sole discretion either deny such request OR it may allow such request provided that Purchaser prepay the Seller the full price of all requested changes, alterations and/ or additional upgrades or features plus a construction change fee of up to \$200.00 per request. Purchaser is strongly encouraged to request all changes, alterations and/or additional upgrades or features to their new home before construction commences. Time is of the essence to accomplish this for the purposes of ordering Purchaser preference items and the property appraisal on a timely basis so as not to delay the completion of construction. If Purchaser elects to make any upgrade or selection outside of Seller's standard stock materials, the Purchaser shall pay in advance the costs of any and all of such upgrades and additional features directly to the Seller and such payment shall then become non-refundable. Purchaser also acknowledges that due to variable appraisal policies, the full value of the upgrades and additional features may not be included in the appraised value of the property. Purchaser agrees to execute a waiver of low appraisal, except on FHA/VA financed transactions, if necessary to include the value of upgrades and additional features to the purchase price.

Buyer understands that although changes/upgrades may add value to the Home, the appraisal value may not increase at all, and therefore the Buyer may not be able to finance upgrades. In the event appraisal value is less than the purchase price, Buyer and Seller conditionally agree to lower the purchase price as follows: 1. If upgrades are less than the Builder Deposit, Seller agrees to reduce the purchase price by the difference between the appraisal value and the purchase price. Buyer agrees to reduce the amount of Builder Deposit to be credited at closing by the same. Or, 2. If upgrades total more than the Builder Deposit, Seller agrees to reduce the purchase price to the appraised value. Buyer agrees to forfeit the Builder Deposit credit at closing, and agrees to pay any remaining balance in cash at closing.

- 9. COMPLETION OF NEW HOME. The completion date is an estimated target date only. Any completion date contained in this agreement or communicated to the Purchaser by Seller or Agent is the best estimate of when the new home will be completed and in no way is meant as a guarantee. SELLER IS NOT RESPONSIBLE for the expiration of Purchaser's loan commitment, penalties, loan fees or other fees or losses due to the estimated completion date not being met. PURCHASER IS ADVISED TO ENSURE THAT THEIR LENDER AND ANY OTHER INTERESTED PARTY IS MADE AWARE OF THIS AGREEMENT.
- 10. COMPLETION DEFINED. Completion is defined as when construction is substantially complete and a CERTIFICATE OF OCCUPANCY is issued.
- 11. LOCATION OF HOME. SELLER HAS SOLE DISCRETION TO DETERMINE THE EXACT LOCATION OF HOME ON THE PROPERTY BEING PURCHASED.
- 12. GRADE AGREEMENT. The Builder/Developer makes no warranties, expressed or implied, as to the grade (gradient) of lot except that the lot will be graded to drain away from the home. The Purchaser shall be responsible for properly providing the grade (gradient) at such time as the lot is prepared for landscaping. By their signature hereon, the Purchaser acknowledges that they are aware of their responsibility to insure proper grading and shall not hold the builder/developer responsible for any standing water or problems as the result of precipitation. Any question as to grade (gradient) should be addressed to a civil engineer or other professional. In the event that front yard and back yard landscaping are provided by the Builder, the grade shall be the responsibility of the Builder, to insure proper grading, holding the Buyer harmless.

- 14. **SUBSTITUTION**. Seller reserves the right to substitute items of comparable quality without prior notice to Purchaser. All items are subject to reasonable availability.
- **15. NO VERBAL REPRESENTATIONS.** It is natural during the course of the transaction for the Purchaser to have questions regarding their new home. In order for the Purchaser to receive responsible and authoritative answers to their questions, the questions shall be presented to Seller who will respond in writing. Purchaser understands and agrees that sales agents, field superintendents and sub-contractors are not authorized to make such representations, or representation that shall modify the Agreement as written, and that the full understanding shall be limited to the Agreement as written together with any clarifications made by Seller in writing.
- 16. CHANGES. Purchaser may request changes to the standard home designs constructed by Seller prior to the commencement of construction only as provided in Section 4 of this Addendum. However, Purchaser understands that if the home is presently under construction as of the date of the Agreement, certain design changes may not be possible or accommodated, or if they can be accommodated they will be at an additional expense. Purchaser will be required to pay directly to Builder for all options selected in advance of the installation of the options selected by Purchaser. All payments for custom changes and/or upgrades which may be paid in advance by Purchaser prior to installation shall be non-refundable. All changes must be by written addendum signed by both parties.
- 17. PURCHASER'S ACCESS DURING CONSTRUCTION. Purchaser acknowledges that the property being purchased pursuant to the Agreement is and shall continue to belong to the Seller until closing. Purchaser agrees that they shall not enter onto the property during construction unless accompanied by Seller's representative or agent. Purchaser further acknowledges notice that only Seller, Seller's employees and authorized sub-contractors are authorized to enter and do work on the property, and Purchaser is expressly denied permission to do any work on the property prior to closing for any reason whatsoever, without the prior written agreement and consent of Seller. Furthermore, keys to the house or possession of the property shall/will not be released or transferred to the Purchaser until the closing/recording date of this purchase/sale transaction.
- 18. PLAN VARIATIONS. No two homes are built exactly alike. It is not uncommon to have minor differences in the dimensions or style of concrete, landscaping, framing, plumbing, mechanical, electrical, cabinets, etc. All homes are built with the same quality materials, but the above-mentioned items can and do vary from home to home. These variations are not considered defects and will not be changed.
- 19. PLANS ARE PROPERTY OF SELLER. Plans, drawings, specifications and design materials shall remain the sole property of the Seller and will not be made available to the Purchaser.
- 20. PURCHASER IS AWARE THAT CONDITIONS, COVENANTS AND RESTRICTIONS HAVE BEEN RECORDED for the protection of all homeowners in the development and has either received a copy of same or will request and review a copy of same.

A \$500 initial working capital assessment shall be collected from the Buyer at closing and will be paid to The Buttes Association. A \$50 transfer fee shall be collected at closing and paid to the Association's management company.
- **22.** APPLIANCES. The refrigerator, range, dishwasher, and microwave/hood are included in the base price of the home.
