

Should you experience warranty related problems during your first year of home ownership, please contact Hunter Homes using our HHBG Buyer Warranty Support form located on the top navigation bar of our website: [hhbgonline.com](http://hhbgonline.com). Using this contact form will email us directly, so we can quickly respond to any problems or questions you may have.

In the event of an emergency, related to any of the vendors/subcontractors listed below, please call them direct.

If you have a natural gas emergency, call PSE immediately: [1-888-225-5773](tel:1-888-225-5773)
